2019 Income \$11501.00	July Payment \$908.97
---------------------------	--------------------------

Service Canada has **Allowed** you to receive the **Guaranteed Income Supplement**, the **Allowance for the Survivor**, or the **Allowance for the Bereaved**, entitled to the **1.** benefit for the period of July 2020 to June 2021.

The total amount of your monthly payment is shown above. This amount includes any Old Age Security benefits you may receive.

EXAMPLE #1

If you are paying back an overpayment, or if you have asked Service Canada to deduct income tax each month, the amount you receive may be lower.

The monthly amount of your entitlement is based on your current marital status and your 2019 income (If you are married or in a common-law relationship, this is your income and your partner's income combined). As we review your entitlement and benefit payments every year, it is possible that the monthly amount of your benefit could change (either higher or lower).

According to our records, you are currently:

- married or living in a common-law relationship.
- single, separated, divorced, widowed, or living apart for reasons beyond your control.

If this information is **not correct**, you must notify us as soon as possible, because your entitlement to benefits may be affected. If this information is correct, you do not need to contact us or take any action.
